# 29 June –National Statistics Day

Every year, National Statistics Day is celebrated on June 29 in India to create public awareness among people about the importance of statistics in daily life and in process of planning and development.

National Statistics Day commemorates renowned statistician Prof Prasanta Chandra Mahalanobis for his contribution in the field of economic planning and statistics. It is also the birth anniversary of Prof PC Mahalanobis, the founder of the Indian Statistical Institute (ISI).

It was first celebrated on June 29, 2007 to acknowledge the outstanding contributions of Prof Mahalanobis in the fields of economic planning and statistical development. His birth anniversary was chosen as the National Statistics Day.
