India Ranks 4th in World's Largest Military Spending in 2022: Report

- India was the world's fourth largest military spender in 2022, with its defence spending increasing by around six percent as compared to 2021, a report by Swedish think tank Stockholm International Peace Research Institute (SIPRI).
- The military expenditure report said around 23 percent of the total spending by India was towards funding equipment and infrastructure, including that along the China border where tension continues. However, a major part of the spending was on expenditures like salaries and pensions.
- With military expenditure of USD 81.4 billion (one billion=100 crore), India's spending was up by six percent from 2021 and by 47 percent as compared 2013.
- The United States, accounting for 39 percent of the world military spending in 2022, was the top spender, followed by China (13 percent), Russia (3.9 percent), India (3.6 percent) and Saudi Arabia (3.3 percent).
