Answer

5. Consider the following description:

Nestled in the tranquil environs of the Chandaka forest, lies a remarkable zoological park and botanical garden spanning 437 hectares (1,080 acres). This expansive sanctuary encompasses the scenic 134-acre (54 ha) Kanjia lake. Distinguished as the first of its kind in India, it introduces a novel approach to wildlife exploration. Visitors embark on a safari adventure where they remain enclosed in a vehicle while the animals roam freely in their natural habitat. Additionally, this immersive experience extends to observing sloth bears in their undisturbed natural surroundings, providing a unique and enriching wildlife encounter.

Which of the following places is best explained in the above description?

- (a) Kotagarh Wildlife Sanctuary
- (b) Satkosia Wildlife Sanctuary

- (c) Nandankanan Zoological Park
- (d) Chilika Wildlife Sanctuary
